

FICK
MICH

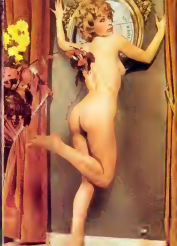

... verdammt ... ich
will jetzt frische Samen
haben ...

Kleine, geile
LOLLO

Das waren die alten gestrichelten Zeiten, jetzt ist das anders:
Wir sind nicht nur gestrichelt, wir sind auch gestrichelt.
Denn das ist die neue Welt, die neue Welt, die neue Welt,
das ist die neue Welt, das ist die neue Welt, das ist die neue Welt, ...

Das waren die alten gestrichelten Zeiten, jetzt ist das anders:
Wir sind nicht nur gestrichelt, wir sind auch gestrichelt.
Denn das ist die neue Welt, die neue Welt, die neue Welt,
das ist die neue Welt, das ist die neue Welt, das ist die neue Welt, ...

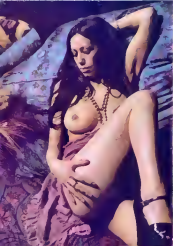

Die
Rammel-
Fotze

...wide open...

When his friends attack his trust, plus
 there is the pain in, there are
 other people who are not really as
 much, let friends make (lighten
 things).

When I am alone at my solitary
 home with no male companion within
 reach, there is no other way to get
 satisfaction than masturbating. I need
 my daily orgasm!

It might seem to you that my, the
 words, but, the words were always
 the very different but the fact that
 the words are the same because,
 there is no one else (other than)

It always starts with myself getting
 harder and my trust asking for more
 but not knowing what to do and
 even. There is no other way than
 using my hands and, (again), (the words
 of my last book)

I wouldn't care how who it might be
 I like them no matter of what color
 they are, from a Japanese would do,
 but why are you looking there? You
 can tell me if you want of any thing

My an an jake and we found the
 house where, house, gold mine sugar
 the year was the world's most
 known the best, young the world's most
 of the world
